

ISNRV Ramadan and Eids Policy

The ISNRV follows the Fiqh Council of North America (FCNA) in the determination of the beginning of the Hijri months. Specifically, the first days of Ramadan and Shawaal (Eid Al-Fitr) are according to the FCNA's Hijri Calendar. Consistent with the approach adopted by the FCNA, Eidul Adha will be following Yaum 'Arafah as determined by the Supreme Court of Saudi Arabia. FCNA's Hijri Calendar is based on calculations, and more information about FCNA's method can be found [here](#) (the link also provides an Islamic calendar for North America until the year 1467 AH / 2045 AD).
